CIRCULATION

ISSUING LIBRARY CARDS

Residents of the Library District

Any resident of the Plainfield Public Library District may obtain a library card by completing an application and furnishing proof of current residency. A resident card will be verified every three years.

Non-Resident with Property in the District

Any person who is not a resident of the Plainfield Public Library District but pays real estate taxes on property and/or leases property located within the Library District may obtain a one-year non-resident card without charge, renewable with appropriate verification.

Non-Resident

According to state law, non-residents are required to purchase a library card at the nearest participating public library in the school district in which the non-resident has his or her principal residence. Qualifying property owners may purchase a Plainfield Library Card by paying a fee which is based on the current real estate tax bill. The Library shall apply its current tax rate against the net equalized assessed valuation listed on the applicant’s tax bill. This card is valid for one year, renewable with appropriate verification.

Non-Resident Renting

According to state law, non-residents are required to purchase a library card at the nearest participating public library in the school district in which the non-resident has his or her principal residence. Qualifying renters may purchase a library card by paying a fee based upon the following formula:

$$\text{Monthly rent} \times 15\% = \text{Nonresident renter fee}$$

Such cards are valid for one year, renewable with appropriate verification. Non-resident renters must present a valid lease or current rent receipt in order to obtain a card.

Reciprocal Borrower

Any person holding a valid library card from a library participating in the "Illinois Reciprocal Borrowing Program" will be granted reciprocal borrowing privileges.

Business Cards

Any corporation, partnership, church, or sole proprietorship owning or renting a place of business within the geographic boundaries of the Plainfield Public Library District is eligible for an annual renewable library card.

Temporary Visitors Library Card

Temporary and unsheltered visitors may obtain a library card by completing an application and providing an ID. The card allows a two item checkout (no devices), access to the computers, and local use only. No holds can be placed. The card is renewable annually.

CONFIDENTIALITY OF LIBRARY RECORDS

The Plainfield Public Library District abides by Illinois Law which states that the records of patron transactions and the identity of registered library patrons is confidential material. The Library does not make available the records of patron transactions to any party except in compliance with the law. The Library does not make available lists of registered library patrons except in compliance with the law.

In the State of Illinois, Public Act 95-0040 (Appendix 3A) created an exception to the requirement for a court order if ALL of the following conditions are met:

- The information is requested by a sworn law enforcement officer who states that it is impractical to get a court order as a result of an emergency situation
- The law enforcement officer states that there is probable cause to believe that there is imminent danger that someone will be physically harmed
- The information requested is limited to only identifying a suspect, witness or victim of a crime, and
- The information does not include any registration or circulation records that would indicate materials borrowed, resources reviewed or services used at the library

Public Act 95-0040 also provides that "If requested to do so by the library, the requesting law enforcement officer must sign a form acknowledging the receipt of the information. A library providing the information may seek subsequent judicial review to assess compliance with this Section." (Appendix 3B)

The legal custodian of records for the Plainfield Public Library District is the Library Director. As the legal custodian of records, the Library Director is the person responsible for responding to any request for library records or information about a library user.

The Library Director may designate one or more library employees to serve as persons responsible for responding to any request for library records or information about a library user when the Library Director is absent or unavailable.

No library employee may release library records or reveal information about a library user to any third party or law enforcement agent unless authorized to do so by the Library Director or the Library Director's designated alternate.
