# Amazon Fire TV - Hoopla

- *Movies*
- *TV Show Episodes*
- *6 titles per month*
- *3 day loan period*

## Create a Hoopla Account

1. If you do not already have a Hoopla account, visit **www.hoopladigital.com** to create one. You will need to provide your email, a password, and your library card number.
2. From now on, you will use your email and password to sign into your Hoopla account on any device.

## Add the Hoopla Streaming Channel to Your Fire TV

1. From your Fire TV home screen, use the **Search** function to find and select **Hoopla**. Then select **Get** and then **Open**.
2. A blue screen will appear with a **Verification Code**.
3. Open a web browser on a computer, tablet, or smart phone and visit **www.hoopladigital.com/link**. Sign into your Hoopla account and enter the **Verification Code** that appeared on your TV screen.

## Stream Movies and TV Show Episodes

1. **Browse** and **Search** for movies and TV episodes to watch. You can stream 6 titles a month (each individual TV show episode counts as one title).
2. To stream a title, select it from the menu. Then select **Borrow**.
3. To watch your borrowed title, select **Play**.
4. A title will automatically return at the end of its loan period. There are no late fees.

# Amazon Fire TV - Kanopy

- *Movies*
- *Documentaries*
- *8 play credits per month*
- *3 day loan period*

## Create a Kanopy Account

1. If you do not already have a Kanopy account, visit **www.kanopy.com** to create one. You will need to provide your email, a password, and your library card number.
2. From now on, you will use your email and password to sign into your Kanopy account on any device.

## Add the Kanopy Streaming Channel to Your Fire TV

1. From your Fire TV home screen, use the **Search** function to find and select **Kanopy**. Then select **Get** and then **Open**.
2. Select **Settings** at the top of the screen. Then select **Link My Account**. A **Verification Code** will appear on the screen.
3. Open a web browser and visit **www.kanopy.com/link**. Sign into your Kanopy account and then enter the **Verification Code**.

## Stream Movies and Documentaries

1. **Browse** and **Search** for titles to watch. You have 8 play credits per month. 1 play credit = 1 borrowed title.
2. To stream a title, select it and then select the **Play** button.
3. Titles automatically return and there are no late fees.
4. Select **Go to Kanopy Kids** to browse child-friendly titles only. Kids titles do not use play credits.
