Amazon Fire TV - Hoopla

- *Movies*
- *TV Show Episodes*
- *8 titles per month*
- *3 day loan period*

Create a Hoopla Account

1. If you do not already have a Hoopla account, visit **www.hoopladigital.com** to create one. You will need to provide your email, a password and your library card number.
2. From now on, you will use your email and password to sign into your Hoopla account on any device.

Add the Hoopla Streaming Channel to Your Fire TV

1. From your Fire TV home screen, use the **Search** function to find and select **Hoopla**. Then select **Get** and then **Open**.
2. A blue screen will appear with a **Verification Code**.
3. Open a web browser on a computer, tablet or smart phone and visit **www.hoopladigital.com/link**. Sign into your Hoopla account and enter the **Verification Code** that appeared on your TV screen.

Stream Movies and TV Show Episodes

1. **Browse** and **Search** for movies and TV episodes to watch. You can stream 8 titles a month (each individual TV show episode counts as one title).
2. To stream a title, select it from the menu. Then select **Borrow**.
3. To watch your borrowed title, select **Play**.
4. A title will automatically return at the end of its loan period. There are no late fees.

Amazon Fire TV - Kanopy

- *Movies*
- *Documentaries*
- *24 tickets per month*
- *Variable loan periods*

Create a Kanopy Account

1. If you do not already have a Kanopy account, visit **www.kanopy.com** to create one. You will need to provide your email, a password and your library card number.
2. From now on, you will use your email and password to sign into your Kanopy account on any device.

Add the Kanopy Streaming Channel to Your Fire TV

1. From your Fire TV home screen, use the **Search** function to find and select **Kanopy**. Then select **Get** and then **Open**.
2. Select **Settings** at the top of the screen. Then select **Link My Account**. A **Verification Code** will appear on the screen.
3. Open a web browser and visit **www.kanopy.com/link**. Sign into your Kanopy account and then enter the **Verification Code**.

Stream Movies and Documentaries

1. **Browse** and **Search** for titles to watch. You have 24 tickets per month.
2. To stream a title, select it and then select the **Play** button.
3. Titles automatically return and there are no late fees.
4. Select **Go to Kanopy Kids** to browse child-friendly titles only. Kids titles do not use tickets.
