

# BOOKMARK DESIGN CONTEST 2024

Celebrate National Library Week (April 7-13) by designing a bookmark for the Plainfield Area Public Library. Here are the contest rules:

- The family-friendly design can be based on the National Library week theme "Ready, Set, Library!" or anything book/library/reading themed.
- The design should be an original creation (avoid using copyrighted images or licensed characters).
- Use the provided template on this page (design must fit inside the border of the bookmark).
- Designs can be vertical or horizontal.
- Don't include any 3D elements (like pop-up items, chunky glitter, puffy paint, anything that sticks up off the page).
- All artwork will be kept by PAPL for possible future use.
- Limited to **1 entry per person**. Do not include personal information on the actual bookmark design (age, name, grade, etc.).
- Each bookmark should be designed by one person and should be created by the person whose name is on the entry form.
- **Entries must be submitted between March 18-30**. Submit your entries in-person at the Youth & Teen Services desk or digitally as a PDF file (scan the QR code to get to the Google form). Be sure to fill out the contact information section on this entry form (**please print clearly**).
- Winners in each age category will receive a prize and have their bookmarks printed to be distributed in the Library during National Library Week.
- Contact plainfieldkidsepapl.info with any questions!
